Fran Pedreira Flashes '66 Form With 629 Set

The women dominated the scoring again last night and a familiar name was leading the barrage, Fran Pedreira.

Fran reflected the form last night in the Tavern on the Green Classic which she utilized to amass ten 600 series last year.

FRAN PEDREIRA ...another hot streak brewing?

She got things off to a roaring start with a sizzling 236 game — the night's best, and kept the good scores rolling with a 190 and 203. Her tremendous 629 set was the night's best and one of the season's best and maybe it's the start of another hot streak for her.

Fran wasn't the only bowler to flash torrid scores. Gloria DeVincenzi joined that category, too.

Gloria, bowling in the Colonial Lanes Thursday Night Mixed League, also blasted a 600 series — a 606. She relied on a big game, a 218, to pave the way, although she did add two other solid scores, a 190 and 198.

Gloria's leaguemate Lucy Stelling joined the high scoring antics by donating the second best game, a strong 222, to beat off several other ladies for the honor.

Linda Jensen, of the same league, was close behind with a 219 as was Barbara Lisk with a 219 in the Harmony Park Ladies League at Coral and Joan Nemeth with a 219 in the Classic League.

Other good games were posted by Neal McCarthy (a 218) in the Amory and Hatton Liquors League at Colonial and Rose Battiglioni (214) in the Plaza Casino League at Coral.

Grace Vigliotto accounted for a top-notch 573 series in the E.Z. Vending Majorettes League at Colonial, but unfortunately it came on a night with two 600s. Grace inflated her series with a 209 game.

Lynn Mann posted the only other noteworthy series, a 553 set on games of 193 and 200 in the Kennedy Plumbing League at the Green.

Rounding out the better scores were Kitty Siess' 208 in the E.Z. Vending Majorettes League and Lil Connor's 206 in the White Rock Beverages League at the Green.

The Sunset Lanes Women bowlers dominated the men's scoring. Gene George was the top scorer with a standout 632 series on two 200 games.

Charlie Loveridge was runner up with a 627 set which featured games of 223 and 221. Jack Angelo (618), Bill Lund (614) and Frank Raffone (614), all of the Sunset loop, tossed in good series, too.

Art Mooney earned the Sunset House loop top honors in the game category with his 258 while his leaguemate Joe Pacilio just missed runnerup honors with his 244 game.

Gio Giordano beat off several competitors for runnerup honors with a 232 game in the Bowling on the Green House League. Gio's 252 helped him post a 611 series.

Sam Foti, with a 247 in the USPHS Hospital League at Colonial, and Rocky Galletta with a 243 and Arty Lynch with a 241, both in the Green's House loop, accounted for strong games, too.

Rounding out the better scores were Hank Setaro's 616 set and Frank Esposito's 615 set, both in the Green's House loop, and Jim Garrity's 616 set in the Sewerer Co. Mixed League at the Victory Lanes.

Trailing at Half, Salem Rallies For 72-49 Win

Salem Evangelical let Immanuel Union hold a one-point lead at halftime before it stormed back with a second half blitz which carried Salem to a 72-49 conquest last night in a Protestant Council Unified League game at Cromwell Center, Tompkinsville.

Leading the charge after the intermission were Russ Kohlman, who notched 18 points, and John Horgan, who pumped in 16 more.

Ed Shadwick scored 14 points to keep Immanuel in the game in the first stanza.

In another League game Friday, St. Phillip's put its run-shoot and run-some-more offense into high gear once again and rolled to a 120-44 victory over First Presbyterian.

With seven players in the double figure category, forward McKee standout Ike Ayers was the ringleader for the winners with 30 points. Backcourt man Jerry Browning contributed 21 markers to his team's total.

Markham Victor, 1 Win from Title

Markham's basketball team assured itself of at least a tie for the Richmond Division Junior High School Public Schools Athletic League title yesterday, by turning back Bernstein 70-33 on the loser's court in Huguenot.

The Graniteville squad has a 6-1 record with one game to play, while runnerup Dreyfus has finished its schedule with a 6-2 mark, and can only tie for first if Markham loses its last contest.

Steve Aponte led the Markham cagers with 34 points, all of his markers coming on field goals collected mainly on drives and rebounds.

Dreyfus Finishes With Triumph

Dreyfus finished its regular season Richmond Division Junior High School PSAL basketball activity yesterday, by posting a 38-47 win over Prall on the loser's floor in West Brighton.

Whether or not Dreyfus starts in the race depends upon what first-place Markham does. The Graniteville team is 6-1, having clinched a first-place tie, with one game to go.

Dreyfus is 6-2 and has completed its schedule. If Markham should lose its final, then the Graniteville team would meet Dreyfus in a playoff for the title.

Prall led the Stapleton quintet 14-8 at the end of the first period yesterday, but Dreyfus assumed a 28-26 halftime advantage and led 42-35 at the three-quarter mark.

Sam Wade, with 19 points, led the victors.

USED OK CARS

1965 CHEVROLET — As close to being new as a used car can get. A silver blue, spotless, Super Sport Convertible, luxurious bucket seats, center console, spinner discs, old fashioned left hand spot lamp and every other imaginable extra. Deserves the title, "Dream Boat". "Puff", etc. $2095

1965 OLDSMOBILE — Another convertible except larger. It was bought from us originally and we have a complete service record. This one has bench seats instead of buckets and sold for close to $5,500 when new. A buy at $2350

1960 OLDSMOBILE — A four door Hard Top in excellent condition, fully powered, first line tires and only $650

1963 CHEVROLET—Two door, economy & cylinder engine and standard shift. Priced much lower than actual value at $850

1960 THUNDERBIRD — This Hard Top Coupe is Ford's darling. Power steering, power windows, power bucket seats and loads of much-wanting goodies, including fine mechanical condition. $795

1966 OLDSMOBILE — This Delta 88 Sport Sedan was our executive car for the latter part of 1966. Driven by one man almost exclusively, it carries both Oldsmobile's and our guarantees. You save a lot and get a lot on this one.

Many, many other fine cars from which to choose.
