Soccer

The Staten Island Mola Youth team is really on a roll, and the club's first-place finish by virtue of four shutouts among in Brooklyn's Amity First Classic Tournament further proof.

S.I. Mola, which has a 7-0 record in the Metropolitan League, tallied 21 goals in the tournament as it downed Holy Child (6-0), St. Clare's (4-0), Amity (5-0) and St. Charles (6-0).

Dominick Galluzzo, Mola's center-forward, who had five goals in Saturday's 8-0 win over the Silver Lake Rockets, paced the offense again with 11 tallies.

Joe Pansano, who along with Dale Araten was on last year's all-star team that competed in Europe, scored three goals in the attacking mid-fielder position as did left-winger Danny Lazara.

Salvatore Gugliardi tallied twice, one which the right-winger netted on a penalty kick, while Araten and halfback Marcelo Aguilar also scored.

"I never thought about beating him, though," Balentine said. "He's stronger and quicker than I am."

"I was happy to stay with him as long as I did ... for about another 100 yards."

Or to the next hill, just one in the upcoming series which inspired Club Forest runner Don Harris to inadvertently suggest a name for next year's run.

"What," he asked McCarren, "did you do in this horror show?"

Knowing runners' psyche, it would probably double the turnout.

Celebrity Fun Run/

Andrews wins 2nd straight

By JACK MINOUE
Advance Staff Writer

The Gary Null Celebrity Fun Run really wasn't.

It didn't draw many celebrities to Wagner College's Grymes Hill campus, and none of yesterday's 200 runners used the word fun to describe the course's three relentless miles of hills and tight turns.

"The turns were the toughest part," said Bob Andrews, who coasted to his second straight win with a 14:57 clocking.

"You could never establish a rhythm," said Bob McCarren, the island's top runner in the 40- to 49 age bracket. "You were always on a hill or a turn."

In some ways, said John Isaparo, another
